

The Nativity Story

Once there was a girl called Mary. One day the Angel Gabriel came and told her she was going to have a baby called Jesus. Mary and Joseph went to Bethlehem to be counted. They looked for somewhere to stay but everywhere was full. A kind innkeeper said they could stay in his stables. The baby was born and they put him in a manger. The Angel went to some shepherds and told them to find the baby. Meanwhile three kings saw a new star in the sky. The kings followed the star and found the baby.
