

The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2025.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Increase the amount of active minutes children take part in- have sports leaders, sports ambassadors, a variety of equipment for play times, a sports coach to support activities at play times. Having spare PE kits in school meant that children who forgot their PE kit were still physically active during lesson time. We were able to achieve School Games Gold Award.	There has been an increase in the amount of physical activity children are doing throughout the day. Children are physically active during playtimes for a lot longer than they were and children who would usually be classed as 'more reluctant' are getting involved. Sports coach, with sports leaders, has helped to facilitate a range of intra-school competitions during lunch times.	Having a sports coach at lunch time to support sports leaders has been hugely beneficial.

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
<p>Increase the amount of active minutes children take part in physical activity during the day.</p> <p>Utilise lunch play sessions to encourage creativity and develop self-regulated play.</p>	<p>All children EYFS to Y6, staff, lunchtime sports coach.</p> <p>Y6 Leaders, mid-day assistants lead activities, sports coaches</p>	<p>Key indicator 2: The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p> <p>Key indicator 5: Increased participation in competitive sport.</p>	<p>More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities, more pupils given the opportunity to participate in competitions, UKS2 children given the opportunity to lead and gain confidence.</p>	<p>£2500</p> <p>£2000</p> <p>£500</p>

<p><i>Embed a PE curriculum that supports teachers in delivering consistently high quality PE lessons</i></p>	<p><i>Staff and children</i></p>	<p>Key Indicator 1: Increased confidence, knowledge, and skills of all staff in teaching PE and sport.</p>	<p>Primary teachers more confident to deliver effective PE supporting pupils to undertake extra activities inside and outside of school, including teaching water safety and swimming and as a result improved % of pupil's attainment in PE.</p>	<p>£1280</p>
<p>Provide high quality CPD for staff in areas they require. Gather from staff voice termly.</p>		<p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p>		<p>£1000</p>
<p>Increase staff confidence teaching PE.</p>		<p>Key indicator 5: Increased participation in competitive sport.</p>		
<p>Invest in high quality after school clubs run by specialists such as external clubs and visits.</p>	<p><i>Gather pupil voice and their opinions on after school clubs. Look at clubs in the local area and create links.</i></p>	<p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</p>		<p>£5000</p>
<p><i>Increase levels of participation in inter-school games.</i></p>	<p><i>Children and staff Supply cover and transport</i></p>	<p>Key indicator 5: Increased participation in competitive sport.</p>		<p>£4000</p>
<p><i>Top Up Swimming lessons</i></p>	<p><i>Y6 will be prioritized however if they are achieving then they will be offered to Y5.</i></p>			<p>£1000</p>

Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?		
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?		
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?		
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No
